

33rd International Conference CAV 2024: Shaping the Future of Autonomous Transportation in a Virtual Landscape

Immerse Yourself in the Cutting-Edge Advancements of Autonomous Vehicle Technology

Prepare for an extraordinary virtual journey as we gather the world's leading experts at the 33rd International Conference on Computer-Aided Verification (CAV 2024) from July 20-23, 2024. This transformative event will explore the latest breakthroughs and future directions in autonomous transportation technology, fostering collaboration and igniting new ideas.

**Computer Aided Verification: 33rd International
Conference, CAV 2024, Virtual Event, July 20–23, 2024,**

Proceedings, Part II (Lecture Notes in Computer Science Book 12760) by Arlin Smith

Virtual Convenience: Access Groundbreaking Research From Anywhere

CAV 2024 embraces the power of virtual technology, allowing attendees from across the globe to engage in this enriching experience from the comfort of their own environments. Engage in live presentations, participate in interactive discussions, and connect with industry leaders and fellow innovators without geographical limitations.

Unveiling the Frontiers of Autonomous Transportation

Immerse yourself in a comprehensive program that delves into the fundamental aspects of autonomous transportation, including:

- Formal Verification of Autonomous Systems
- Machine Learning for Autonomous Driving
- Safety and Security of Autonomous Vehicles
- Ethical Considerations in Autonomous Transportation
- Human-Machine Interaction in Autonomous Systems

A Catalyst for Collaboration and Innovation

CAV 2024 provides a unique platform for knowledge exchange and collaboration among researchers, industry professionals, and policy makers. Engage in thought-provoking discussions, showcase your research findings, and forge connections that will drive the future of autonomous transportation.

Empowering the Next Generation of Autonomous Vehicle Experts

The conference offers invaluable opportunities for students and early-career researchers to engage with leading experts in the field. Participate in workshops, poster sessions, and networking events designed to foster their growth and inspire their future contributions.

Registration and Further Information

Registration for CAV 2024 is now open. Visit the official conference website at cav2024.org for full details on registration fees, program updates, and submission guidelines.

Don't miss this extraordinary opportunity to shape the future of autonomous transportation in a virtual landscape. Join us at CAV 2024 and be a part of the driving force behind this transformative technology.

We look forward to welcoming you to this pivotal event!
