The Definitive Guide to InDesign CS6

Adobe InDesign CS6 Illustrated with Online Creative Cloud Updates is the definitive guide to InDesign, the leading layout and design software for print and digital media. Written by InDesign expert Gareth Ward, this comprehensive book covers everything from the basics of InDesign to advanced techniques for creating professional-quality documents.

This book is packed with full-color illustrations and step-by-step instructions that make it easy to learn how to use InDesign. You'll learn how to create new documents, import text and graphics, format text and paragraphs, add images and tables, and much more. You'll also learn how to use InDesign's powerful tools to create interactive documents, including PDFs, ePubs, and SWFs.

In addition to the in-depth coverage of InDesign CS6, this book also includes online Creative Cloud updates that keep you up to date on the latest features and enhancements. With these updates, you'll be able to take advantage of the latest InDesign tools and techniques to create even more amazing documents.

What You'll Learn

- The basics of InDesign, including the user interface, workspace, and tools
- How to create new documents, import text and graphics, and format text and paragraphs
- How to add images and tables, and create interactive documents
- Advanced techniques for creating professional-quality documents
- The latest features and enhancements in InDesign CS6

Who This Book Is For

This book is for anyone who wants to learn how to use InDesign, from beginners to experienced users. Whether you're a graphic designer, a marketer, or a student, this book will teach you how to create professional-quality documents that will make a lasting impression.

About the Author

Gareth Ward is an InDesign expert and the author of several books on the software. He has taught InDesign to thousands of students and professionals around the world. Gareth is also a regular contributor to InDesign Magazine and other industry publications.
