Learning to Communicate

Carly's parents worked tirelessly to help her learn to communicate. They tried different therapies, including speech therapy, occupational therapy, and music therapy. Carly also attended a special school for children with autism.

Slowly but surely, Carly began to make progress. She started to use sign language and a communication device to express her thoughts and feelings.

Finding Her Voice

As Carly got older, she became more confident in her communication skills. She started to write poetry and short stories. She also began to sing and perform in front of audiences.

Carly's voice is a powerful one. She uses it to speak out about autism and to inspire others.

Carly's Story

Carly's story is an inspiring one. It shows that anything is possible with determination and perseverance.

In her book, *Carly's Voice*, Carly shares her experiences with autism and offers hope to others who are struggling with the condition.

About the Author

Carly Fleischmann is a young woman with autism who has overcome challenges to find her voice and connect with the world. She is a writer, poet, and performer. Carly's book, *Carly's Voice*, is an inspiring story of her journey.
