

Discover the Enchanting World of Animals in the Heartwarming Tales of "If Animals Went to School" and "If Animals Kissed Good Night"

Imagine a world where animals weren't just our companions but also our classmates. Join a playful cast of animal students as they embark on their extraordinary educational journey.

Meet Leo the lion, a confident and curious student who leads the class with his infectious enthusiasm. Olivia the owl, wise and knowledgeable, is always ready to share her insights and guide her friends. Sammy the squirrel is quick-witted and agile, navigating the challenges of school with ease.

As they learn and grow together, the animal students discover the importance of teamwork, friendship, and respecting differences. From practicing their ABCs in the "animal alphabet" to exploring the wonders of nature during science lessons, each day at school is filled with laughter, discovery, and heartfelt connections.
