A Masterpiece of Historical Fiction

"Visitors" transports readers to the idyllic English countryside in the 1920s. We follow the intertwined lives of four unforgettable characters: Nancy, a young woman grappling with the complexities of love and marriage; her husband, Simon, a brilliant but troubled artist; the charming but enigmatic

Charles; and the enigmatic Lady Sybil. Their stories unfold against a backdrop of societal change and the lingering shadows of the Great War.

Beauman's writing is both evocative and insightful, bringing each character to life with a depth and authenticity that resonates with readers. Through their relationships, she explores the timeless themes of love, loss, and the complexities of the human heart.

A Haunting Exploration of Time

At its core, "Visitors" is a meditation on the passage of time. Beauman masterfully weaves together the past, present, and future, creating a sense of interconnectedness that transcends generations. The novel explores how our experiences shape our memories, and how those memories can both haunt us and guide us.

Through the experiences of her characters, Beauman delves into the paradoxes of time. She shows us how the past can linger like a ghost, influencing our present choices, while the future remains an unknown realm filled with both hope and trepidation.
