From challenging climbs to scenic coastal routes, this book has something for every cyclist. With detailed maps, stunning photography, and insider tips, Epic Bike Rides of the World will help you plan and execute your dream cycling adventure.

Here are just a few of the epic bike rides featured in the book:

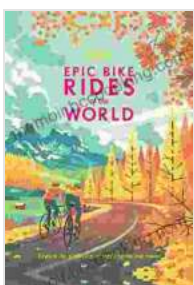

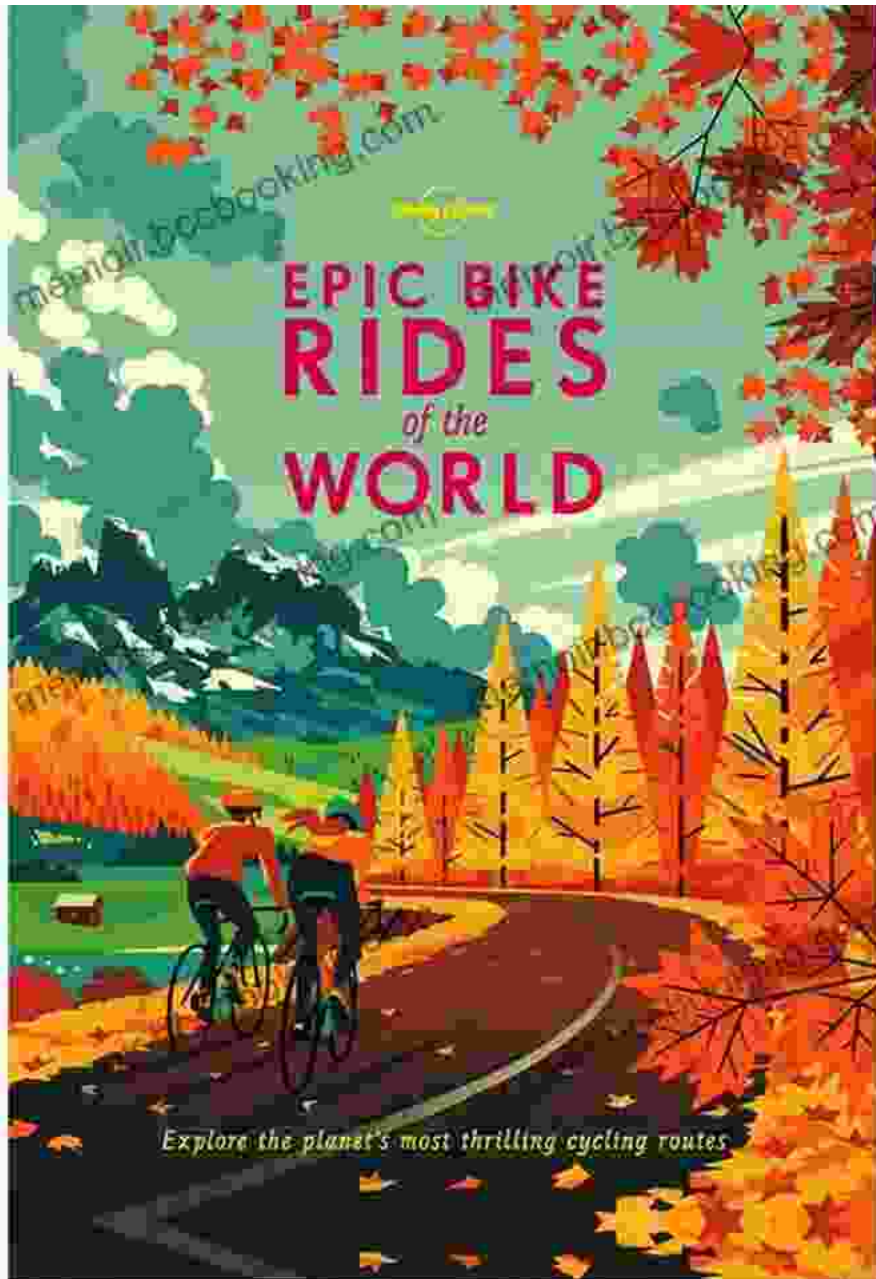

- **The Tour de France:** The world's most famous bike race, the Tour de France is a grueling three-week event that covers over 2,000 miles. The race takes riders through some of the most beautiful scenery in France, including the Alps and the Pyrenees.

- **The Trans-America Trail:** This cross-country bike route spans over 4,200 miles from Oregon to Virginia. The trail passes through a variety of landscapes, including mountains, deserts, and forests. It's a challenging but rewarding ride that will give you a true taste of the American West.
- **The Great Divide Mountain Bike Route:** This off-road bike route follows the Continental Divide for over 2,700 miles from Montana to New Mexico. The route is known for its stunning scenery and challenging terrain. It's a great choice for experienced mountain bikers looking for an adventure.
- **The Silk Road:** This ancient trade route once connected China to Europe. Today, it's a popular cycling route that takes riders through some of the most historic and culturally rich countries in the world. The Silk Road is a challenging but rewarding ride that will give you a taste of the world's many cultures.
- **The Pacific Coast Highway:** This scenic coastal route follows the California coast for over 600 miles. The ride offers stunning views of the Pacific Ocean and the California coastline. It's a great choice for cyclists looking for a relaxed and scenic ride.

Whether you're a seasoned cyclist or just starting out, Epic Bike Rides of the World has something for you.

With detailed maps, stunning photography, and insider tips, this book will help you plan and execute your dream cycling adventure.
