Kalokerinos was born in Greece in 1947 and was adopted by an American family when he was just six months old. He grew up in a loving home, but he always felt a sense of longing for his birth family. As an adult, he began searching for his birth mother, and after years of searching, he finally found her. The reunion was a bittersweet moment, but it also brought Kalokerinos a sense of closure.

Every Second Child is a beautifully written and deeply moving memoir. Kalokerinos' story is one that will resonate with anyone who has ever been adopted or who has ever lost a loved one. It is a story of love, loss, and hope, and it is a testament to the power of the human spirit.

If you are interested in learning more about adoption or if you are looking for a powerful and moving memoir to read, I highly recommend Every Second Child. It is a book that will stay with you long after you finish it.
