In this gripping account, author and animal advocate Susannah Charleson tells the untold story of the heroic efforts to save these animals. From the dedicated volunteers who risked their own lives to rescue animals from flooded homes and makeshift shelters, to the veterinarians who worked tirelessly to provide medical care, to the countless individuals who opened their homes and hearts to these abandoned animals, this book is a

testament to the power of compassion and the unbreakable bond between humans and animals.

Charleson's book is based on extensive research and interviews with the people who were on the front lines of the animal rescue effort. She paints a vivid picture of the chaos and devastation that followed the hurricane, and she brings to life the stories of the animals who were saved and the people who made it happen.

Hurricane Katrina Animal Rescue is a must-read for animal lovers and animal rescue enthusiasts. It is a story of hope and resilience, and it is a reminder of the importance of compassion in the face of adversity.

About the Author

Susannah Charleson is an author and animal advocate. She has written extensively about animal welfare and rescue, and her work has been featured in numerous publications, including The New York Times, The Washington Post, and The Huffington Post. Charleson is a member of the board of directors of the Animal Legal Defense Fund, and she is the founder of the Animal Rescue Corps, a non-profit organization that provides disaster relief for animals.
