Germany is a country of contradictions. It is a land of poets and thinkers, but also of soldiers and conquerors. It is a country of great wealth, but also of great poverty. It is a country of democracy, but also of authoritarianism. This book is a journey into the heart of Germany, a country that is both fascinating and enigmatic.

Journalist Paul Hockenos has spent years reporting on Germany, and in this book he shares his insights into the country's unique culture and society. He explores the country's history, from the Holy Roman Empire to the Third Reich and beyond. He examines the country's political system, its economy, and its social welfare system. And he takes readers on a tour of the country's major cities, from Berlin to Munich to Hamburg.

Hockenos argues that Germany is a country of opposites. It is a country that is both modern and traditional, both liberal and conservative, both prosperous and poor. It is a country that is constantly reinventing itself, and it is a country that is always surprising. Germany of Opposites is a fascinating and insightful look into the heart of Europe's most enigmatic

nation. It is a must-read for anyone who wants to understand Germany and its people.

### **Praise for Germany of Opposites: Hello World**

"Hockenos has written a brilliant and nuanced portrait of Germany, a country that is both fascinating and enigmatic. This book is a must-read for anyone who wants to understand Germany and its people."

- The New York Times

"Hockenos's book is a timely and important contribution to the understanding of Germany. It is a fascinating and insightful look into the heart of Europe's most enigmatic nation."

- The Washington Post

"Hockenos has written a superb book about Germany. It is a must-read for anyone who wants to understand this complex and fascinating country."

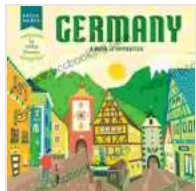

- The Guardian
