From the moment Justin's first child was born, he knew that his life would never be the same. He traded in his suit and tie for a diaper bag and a sippy cup, and he quickly learned that there is no such thing as a "typical" day when you're a stay-at-home dad.

In *Leaking Laffs Between Pampers And Depends*, Justin shares his adventures in parenting with wit and humor. He writes about the joys of

watching his children grow and learn, the challenges of balancing work and family, and the importance of finding time for yourself. He also shares his thoughts on fatherhood, marriage, and the meaning of life.

Leaking Laffs Between Pampers And Depends is a must-read for any parent, whether you're a stay-at-home dad, a working mom, or a single parent. Justin's stories will make you laugh, cry, and think about your own parenting journey.
