**A groundbreaking collection of essays exploring the power of stories to heal, inspire, and create change.**

In a world that is often filled with pain, suffering, and injustice, we need stories that can help us to heal, inspire us to action, and give us hope for a better future. *Medicine Stories: Essays for Radicals* is a collection of such stories, written by a diverse group of activists, artists, healers, and scholars.

These essays explore the power of stories to:

- Heal our wounds, both physical and emotional
- Inspire us to take action for social and environmental justice
- Give us hope for a better future
- Connect us with our own humanity and the humanity of others

- Create change in the world

*Medicine Stories* is a must-read for anyone who is interested in the power of storytelling, the importance of radical change, and the healing power of human connection.
