

Mothers and Fathers Wake Up: A Call to Action

About the Book

In *Mothers and Fathers Wake Up*, Anthony Slide argues that the decline of the traditional family structure is one of the most serious problems facing

our society today. He shows how the rise of single-parent households, divorce, and cohabitation is leading to a breakdown in moral values, a decline in academic achievement, and an increase in social problems.

Slide believes that the key to solving these problems is to strengthen families. He calls on parents to take back control of their families and to instill in their children the values that will help them succeed in life. He offers practical advice on how to create a strong and healthy family environment, including tips on how to communicate effectively, resolve conflict, and set limits.

Mothers and Fathers Wake Up is a powerful and thought-provoking book that will challenge you to think about the role of the family in society. It is a must-read for anyone who is concerned about the future of our children and our country.
