In these Spot the Difference Mazes, you'll be presented with two seemingly identical images. Your task is to carefully examine both images and identify the subtle differences between them. These puzzles are a great way to improve your visual perception and attention to detail.

Math Mazes

SUMS WITHIN 5 MAZE

Name _____

Directions: Berta the Bee needs to get to the flower and bring pollen back to her hive. Help Berta find her way to the flower by following the path of correct answers through the maze. Determine the answer in each box and follow the correct answer to the next box. The right answers will lead Berta to the flower!

In the Word Puzzle, you'll be given a grid of letters and a list of words. Your task is to find the hidden words in the grid by connecting the letters together. These puzzles are a great way to expand your vocabulary and improve your spelling skills.

Find the Shadow Matching

In the Find the Shadow Matching, you'll be given a set of shapes and their shadows. Your task is to match the shapes to their correct shadows. These puzzles are a great way to improve your spatial reasoning skills and your ability to identify patterns.

Benefits of Puzzles

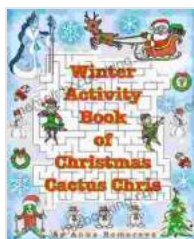

Puzzles offer a variety of benefits, including:

- Improved cognitive skills
- Enhanced problem-solving abilities
- Increased attention to detail
- Improved visual perception
- Expanded vocabulary
- Reduced stress and anxiety
- Increased enjoyment and entertainment
