

Spycraft and Special Ops on the Frontlines of Afghanistan and the Path to 9/11

A Gripping Account of the CIA's Top Spy in Afghanistan Before 9/11, and the Special Ops Warriors Who Fought Alongside Him

In the years leading up to 9/11, the CIA's top spy in Afghanistan was a man named Gary Schroen. A former Green Beret, Schroen had spent years building relationships with Afghan warlords and intelligence officers. He was one of the few Americans who had a deep understanding of the country's complex political and tribal landscape.

In the wake of the 9/11 attacks, Schroen was tasked with leading a team of CIA officers and special ops warriors into Afghanistan to hunt down al-Qaeda and the Taliban. The team faced enormous challenges, including a lack of intelligence, a hostile environment, and a determined enemy. But

Schroen and his team persevered, and their efforts played a vital role in the overthrow of the Taliban regime.

Spycraft and Special Ops on the Frontlines of Afghanistan and the Path to 9/11 is Schroen's firsthand account of his experiences in Afghanistan. The book is a gripping tale of espionage, combat, and the behind-the-scenes story of the war on terror. Schroen provides a unique perspective on the events leading up to 9/11 and the challenges of fighting a war in a country that is both complex and unforgiving.
