In 2017, Kundan Singh, a 24-year-old man from India, embarked on an incredible journey. He cycled 7,000 miles from his home in Punjab to Switzerland to be with the woman he loved.

Kundan's story is one of adventure, romance, and determination. It is a story that will inspire you to believe in the power of love.

## The Beginning

Kundan met his girlfriend, Elena, in 2015 while they were both studying in India. They quickly fell in love, but their relationship was not without its challenges.

Elena's family was from Switzerland, and they did not approve of her relationship with an Indian man. They forbade her from seeing him, and

they threatened to disown her if she did not obey.

Kundan was heartbroken. He loved Elena more than anything in the world, but he knew that he could not force her to choose him over her family.

So, he made a decision. He would cycle to Switzerland and prove to Elena's family that he was worthy of her love.

## **The Journey**

Kundan's journey was long and difficult. He cycled through deserts, mountains, and snowstorms. He faced hunger, thirst, and exhaustion.

But he never gave up. He kept pedaling, one mile at a time. He knew that he had to reach Switzerland to be with Elena.

After seven months of cycling, Kundan finally arrived in Switzerland. He was exhausted, but he was also overjoyed. He had made it.

Kundan went to Elena's house and knocked on the door. Elena's mother answered, and she was shocked to see him.

"What are you ng here?" she asked.

"I came to see Elena," Kundan said. "I love her more than anything in the world, and I will not give up until she is mine."

Elena's mother was touched by Kundan's words. She saw the love in his eyes, and she knew that he was sincere.

She smiled and said, "Come in. I will make you some tea."

## The Reunion

Kundan and Elena were finally reunited. They hugged each other tightly, and they both cried tears of joy.

Elena's mother gave them her blessing, and they were married a few months later.

Kundan and Elena are now living happily in Switzerland. They have a beautiful daughter, and they are grateful for the amazing journey that brought them together.

## The Power of Love

Kundan's story is a testament to the power of love. He cycled 7,000 miles to be with the woman he loved, and nothing could stop him.

His story is an inspiration to us all. It shows us that anything is possible if we believe in ourselves and the power of love.
