When a young research student is found brutally murdered in the university's state-of-the-art glass room, Vera Stanhope is called in to investigate. As she delves into the victim's life, she uncovers a tangled web of relationships, rivalries, and unspoken secrets, all lurking beneath the polished façade of academic excellence.

With her trademark tenacity, Vera digs beneath the surface, exposing the hidden motives and long-held grudges that simmer within the university's walls. From ambitious professors to brilliant students, each person she

encounters becomes a suspect, their secrets threatening to unravel the very fabric of the institution.

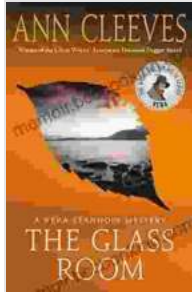

As the investigation deepens, Vera discovers that the murder is not an isolated incident. A series of chilling clues points to a larger conspiracy, one that reaches far beyond the university's hallowed halls. With time running out, Vera must race against the clock to uncover the truth, before the killer strikes again.

In her pursuit of justice, Vera is aided by her loyal team, including the astute forensic pathologist, Dr. Malcolm Donahue, and the eager young detective, Joe Ashworth. Together, they navigate the treacherous waters of academia, deciphering codes, analyzing evidence, and unraveling the intricate web of deception.

Ann Cleeves' masterful storytelling shines in *The Glass Room*. Her evocative descriptions create a vivid and atmospheric setting, immersing us in the claustrophobic world of the university. The characters are complex and compelling, their motivations and secrets expertly woven into the intricate plot.

With its gripping suspense, intricate mystery, and unforgettable protagonist, *The Glass Room* is an unputdownable read that will keep readers captivated from beginning to end. Ann Cleeves once again proves herself a master of the crime genre, delivering a chilling and thought-provoking thriller that will linger in the memory long after the last page is turned.
