

The Inside Story of the Snipers Who Broke ISIS

By Jack Murphy

The Inside Story of the Snipers Who Broke ISIS is a gripping account of the elite snipers who played a key role in the defeat of ISIS. These highly skilled marksmen were able to take out high-value targets from long distances, disrupting ISIS's command and control structure and helping to turn the tide of the war. Author Jack Murphy provides a fascinating look at the training, tactics, and experiences of these elite snipers, and he reveals the crucial role they played in the fight against ISIS.

Murphy, a former Green Beret who served in Iraq and Afghanistan, has a deep understanding of the military and the challenges of fighting a war against a terrorist organization like ISIS. He is able to provide a unique

perspective on the role of snipers in this conflict, and he does so in a way that is both informative and engaging.

The book is divided into three parts. The first part provides a history of sniping and the evolution of the sniper role in the military. The second part focuses on the training and tactics of the elite snipers who fought against ISIS. The third part tells the story of the snipers' experiences in the field, and it includes firsthand accounts of some of the most dangerous and challenging missions they faced.

The Inside Story of the Snipers Who Broke ISIS is a must-read for anyone interested in the military, counter-terrorism, or the history of war. It is a gripping account of the elite snipers who played a key role in the defeat of ISIS, and it provides a fascinating look at the training, tactics, and experiences of these highly skilled marksmen.
