Williams was known for his incredible batting average, power, and on-base percentage. He led the league in batting six times and home runs four times. He also won two Triple Crowns, becoming the first player to accomplish this feat since **Rogers Hornsby** in 1925.

The Red Sox During World War II

In 1942, the United States entered World War II. Many major league baseball players were drafted into the military, including Williams. He joined the **U.S. Marine Corps** and served as a fighter pilot in the Pacific Theater.

Despite being away from baseball for three years, Williams returned to the Red Sox in 1946 and picked up right where he left off. He led the league in batting in 1946 and 1947, and helped the Red Sox win the World Series in 1946.

The Untold Story

The Untold Story of Ted Williams and the Baseball Team That Helped Win World tells the story of Williams' time with the Red Sox during World War II. Shea draws on extensive research, including interviews with Williams' family, friends, and teammates, to paint a vivid portrait of this extraordinary period in baseball history.

Shea reveals how Williams' military service affected his baseball career, and how he was able to overcome the challenges of returning to the game after the war. He also explores the relationship between Williams and his teammates, and how they came together to win the World Series in 1946.

A Must-Read for Baseball Fans

The Untold Story of Ted Williams and the Baseball Team That Helped Win World is a must-read for baseball fans of all ages. Shea's engaging writing style and meticulously researched narrative make this book a fascinating and informative account of one of the most iconic periods in baseball history.

This book is perfect for anyone who wants to learn more about Ted Williams, the Red Sox, or World War II. It is also a great read for anyone who enjoys a good sports story.
