In the realm of myth and legend, where the echoes of time whisper tales of ancient wisdom, lies the captivating creation myth of the Cherokee people: "The Raven Creates the World." This enchanting narrative carries us back to the misty origins of time, when the world was shrouded in darkness and all that existed was the boundless expanse of the cosmic ocean.

Throughout time, Raven has carried the medicine of Magic. Raven magic is powerful medicine that can give you the courage to enter the darkness of the Void, which is the home of all that is not yet in form. The Void is called the Great Mystery. Great Mystery existed before all other things came into being. Great Spirit lives inside the Void and emerged from the Great Mystery. Raven is the messenger of the Void. Raven's color is the color of the Void - the black hole in space that holds all the energy of the creative source. In Native teachings, the color black means many things, but it does not mean evil. Black can mean the seeking of answers, the Void, or the road of the spiritual or non-physical. The blue-black of Raven contains the iridescence that speaks of the magic of darkness and a changeability of form and shape that brings an awakening in the process.
