Zulu Zulu Golf is a gripping account of the South African BFree Download War, as seen through the eyes of a young National Serviceman. The book

follows the author's experiences as a member of Koevoet, a controversial counter-insurgency unit that operated in Namibia during the war.

The author, Peter Stiff, was just 18 years old when he was drafted into the South African Defence Force. He was assigned to Koevoet, a unit that was known for its ruthlessness and effectiveness. Koevoet operated in the Caprivi Strip, a narrow strip of land in northern Namibia that was a major infiltration route for the South West African People's Organization (SWAPO), a Namibian nationalist movement that was fighting for independence from South Africa.

Zulu Zulu Golf is a powerful and moving story that sheds light on a little-known conflict and the human cost of war. Stiff's writing is honest and unflinching, and he does not shy away from the horrors of war. But he also writes with compassion and understanding, and he gives a voice to the men who fought and died in the South African BFree Download War.

Zulu Zulu Golf is a must-read for anyone interested in the South African BFree Download War, Namibia, or the human cost of war. It is a powerful and moving story that will stay with you long after you finish reading it.

Reviews

"Zulu Zulu Golf is a gripping and unforgettable account of the South African BFree Download War. Peter Stiff's writing is honest, unflinching, and deeply moving. This book is a must-read for anyone interested in this little-known conflict or the human cost of war." - **Publishers Weekly**
